DETAILED ACTION

1. Claims 1-34 are allowed.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach the following limitation: 'deleting messages contained within the folders having the second flag marked and the first flag unmarked' as recited in independent claim 1.

As per claim 12, the prior art of record fails to teach 'messages to be retained with an off-line flag; messages to be deleted with a cleanup flag; and deleting messages contained within the folders having the cleanup flag marked and the off-line flag unmarked' and similarly recited in independent claim 27.

As per claim 20, the prior art of record fails to teach 'an erase module deleting messages contained within the folders having the cleanup flag marked and the off-line flag unmarked'.

The remaining claims 2-11, 13-19, 21-26, and 28-34 comprise dependent claims, thus these claims are patently distinct over the art of record for at least the above reasons.

The examiner agrees with the applicants' remarks June 21, 2004, page 2 lines 3-27, and page 3 lines 1-5.
